

**REMARKS**

In response to the restriction requirement in the Official Action dated November 26, 2008, Applicant elects Invention VI, claims 47-56, as amended herewith, drawn to a light-emitting element. Claim 47 has been amended to include the features of claim 27. Thus, Applicant believes claim 27 is generic to claims 47-56, and claims 27-36 and 47-56 are subject to examination at this time.

Claims 1-26 and 37-46 have been canceled.

Examination on the merits is respectfully requested.

Respectfully submitted,

---
